

# AJEEFA A

## Summary

I am a passionate web developer skilled in creating, designing, developing websites and web applications and I have knowledge in few programming languages and expertise in front-end technologies.

## Certifications

- NPTEL certification in Joy of Computing using Python
- NPTEL Certification in Problem solving and programming through C
- Certification in AI for Beginners

## Projects

### HEALTH MONITORING AND DIAGNOSIS

I have completed Health monitoring and diagnosis project in Experience based learning phase of Naan Mudhalvan. The project mainly focusses on the health monitoring and analysis using the Smartphone sensors. Using these sensors, individuals can diagnose their health independently without visiting the hospitals frequently.
